Service Academy Nominations

Each year I have the privilege of nominating outstanding Alaskan students for appointment to one of the four service academies. The President of the United States officially makes all appointments to the United States service academies. However, each member of Congress is allotted a limited number of nominations, which they may submit for consideration of an appointment (by the academy) to fill the vacancies at each academy. Because securing a nomination does not guarantee an appointment or offer of admission, the entire process is highly competitive. You are therefore encouraged to apply to as many sources as you are eligible, including, but not limited to, your Congressional Delegation and the Vice-President of the United States.

Each applicant seeking a nomination from my office must meet the following eligibility requirements:

- **Age:** Must be at least 17 years old, but not yet have passed the 23rd birthday. (25 for the Merchant Marine Academy)
- **Citizenship/Residency:** Must be a U.S. citizen and a legal and permanent resident of the State of Alaska.
- **Marital Status:** Must be unmarried, not pregnant, and have no legal obligation to support children or other dependents.

In addition to applying to my office for a nomination, you must also complete and submit the requisite admissions application to your academy or academies of choice. It is your responsibility to ensure that the institutions to which you are applying open an admissions file for you. I encourage you to begin your application process to the academies immediately. You can contact each academy by using the information listed below.
