Email: Academy_Nominations@murkowski.senate.gov

Dear Applicant:

Each year, I have the privilege of nominating outstanding Alaskan students for appointment to one of the four United States service academies. The President of the United States officially makes all appointments to the United States service academies. However, each member of Congress is allotted a limited number of nominations that we may submit for consideration of an appointment by an individual service academy to fill vacancies at each academy. The process is highly competitive and securing a nomination does not guarantee an appointment or offer of admission. You are encouraged to apply to as many nomination sources as you are eligible, including your Congressional Delegation and the Vice President of the United States.

To assist with this nomination process, I ask candidates to submit the attached application packet that documents their academic, civic, and athletic abilities, as well as their commitment to military service. **The complete application package must be received in my Anchorage OR Washington DC office no later than November 10, 2025.**

To apply, an applicant must meet the following eligibility requirements:

- ☐ **Age:** Must be at least 17 years old but not older than 23 on July 1st of the year of admission (25 for the Merchant Marine Academy).
- ☐ **Citizenship/Residency:** Must be a U.S. citizen and a legal and permanent resident of the State of Alaska.
- ☐ **Marital Status:** Must be unmarried, not pregnant, and have no legal obligation to support children or other dependents.

My office requires the following information to evaluate your request for nomination:

- **Completed U.S. Military Service Academy Nomination Application** from our website submitted on time to the Office of U.S. Senator Lisa Murkowski.
- **Proof of Alaska Residency:** Provide a copy of your Alaska voter registration card or Alaska Driver's License (or a copy of your parent's Alaska voter registration or Alaska Driver's License if you do not yet have one of these items). Military Dependents living outside of Alaska must provide the military parent's current rank and duty information and proof of Alaska residency, such as a Leave and Earnings Statement.
- **Essay:** In 200 words or less, provide a typed essay answering the questions in the "Essay" section of the application.
- **Two Evaluations: Please provide two complete letters of evaluation from adults in your life.** (For example: Teacher, Coach, Boss, Counselor, or Principal). Do not include letters from your family members. Return with application, completed and sealed with signature over envelope flap.
- **Academic Information:**
 1. Sealed official transcripts from all high schools, junior colleges or colleges you have attended.

2. Copy or photo of official SAT or ACT test score report (if not shown on transcript).

Applicants may be interviewed by a review panel, depending on availability and other factors, including but not limited to the competitiveness and number of applications received for the application period.

It is the responsibility of each applicant to make sure their Military Service Academy Nomination Application is complete before it is submitted to Senator Murkowski's office. No incomplete applications will be considered. All applications must be received in the Anchorage District Office or DC office by November 10, 2025.

My staff and I are available to assist you in this process to the best of our abilities. Please refer all correspondence, questions, and concerns to:
